ACTIVE 20-30 CLUB OF PHOENIX SPONSORS AFTERNOON AT AZ SCIENCE CENTER UNDERPRIVILEGED CHILDREN TREATED TO DAY OF LEARNING AND FUN

PHOENIX-February 24, 2010 – The **Active 20-30 Club of Phoenix** sponsored and participated in an afternoon at Arizona Science Center with over 50 underprivileged children from Wilson Elementary School, District 7. The event took place on Saturday, February 20, between noon and 4:00 PM.

With the support of the Arizona Science Center and the Children In Need Foundation, the students were treated to an afternoon which included a pizza party in the AZ Science Center Cafeteria and admission to the various exhibits, including the Dorrance Planetarium and “Goosebumps” exhibit.

The Active 20-30 Club of Phoenix provided both the planning and the manpower for the event. Over 40 members of the Club acted as chaperones for the children during the afternoon.

“This was our first hands-on event utilizing Arizona Science Center,” noted Phoenix 20-30 Club President Marcus Davi. “I think the students really enjoyed the interactive exhibits and having the entire afternoon to explore with them was equally enjoyable for our Club members. It’s always rewarding to see our year-long fundraising efforts come to life at events such as this.”

The afternoon at Arizona Science Center is only one of several “hands-on” events which Active 20-30 Club of Phoenix organizes locally. Other events planned throughout the year include a back-to-school shopping spree and holiday bowling party. All “hands-on” events involve underprivileged and at-risk children in the Metro Phoenix area.
